

## CURRICULUM VITAE

THOMAS C. NASLUND, M.D.

**OFFICE ADDRESS:** Vanderbilt University Medical Center  
Division of Vascular Surgery  
D-5237 MCN  
1161 21st Avenue South  
Nashville, Tennessee 37232-2735  
(615) 322-2343

**DATE OF BIRTH:** August 31, 1958  
Amarillo, Texas

**LICENSURE:** Tennessee - MD# 019989  
Issued: 1989

**EDUCATION:** B.S. (Biology)  
Trinity University  
San Antonio, Texas  
May 1980

Medical Degree  
Vanderbilt University School of Medicine  
Nashville, Tennessee  
May 1984

**RESIDENCY:** Vanderbilt University Medical Center  
Nashville, Tennessee  
General Surgery  
07/1984 – 06/1990

Vanderbilt University Medical Center  
Nashville, Tennessee  
Clinical Pharmacology Research Fellow  
07/1987 – 06/1988

**FELLOWSHIP:**

Ochsner Clinic and Alton Ochsner Medical Foundation  
New Orleans, Louisiana  
Fellow in Vascular Surgery (07/1990 – 06/1992)  
Assistant Director of Surgical Research (07/1990 –  
06/1991)  
Assistant Staff in General Surgery (07/1990 – 06/1992)  
Assistant Director of Non-Invasive Vascular Laboratory  
(07/1991 – 06/1992)

**BOARD CERTIFICATION:**

National Board of Medical Examiners  
Diplomate, 1985

American Board of Surgery  
Certificate No. 36041  
Issued February 26, 1991  
Recertified: October 22, 1999  
Recertified: December 8, 2011 – exp. July 1, 2022

Added Qualifications in General Vascular Surgery  
Certificate No. 100389  
Issued May 24, 1993  
Recertified: October 20, 2000  
Recertified: September 16, 2011 – exp. July 1, 2022

**APPOINTMENTS:**

Chief of Vascular Surgery  
Vanderbilt University Medical Center  
Nashville, Tennessee  
07/1999 - present

Chief, Vascular Surgery  
Veterans Affairs Hospital  
Nashville, Tennessee  
07/1998 – 06/1999

Interim Chief of Vascular Surgery  
Vanderbilt University Medical Center  
Nashville, Tennessee  
01/1994 – 06/1999

Program Director in Vascular Surgery  
Vanderbilt University Medical Center  
Nashville, Tennessee  
01/1994 – 10/2010

10/2013 – 03/2015

**APPOINTMENTS (Cont'd):** Medical Director of Vascular Laboratory  
Vanderbilt University Medical Center  
Nashville, Tennessee  
01/1994 - present

Professor of Surgery  
Vanderbilt University Medical Center  
Nashville, Tennessee  
08/2009 – present

Associate Professor of Surgery  
Vanderbilt University Medical Center  
Nashville, Tennessee  
03/2001 – 08/2009

Assistant Professor of Surgery  
Vanderbilt University Medical Center  
Nashville, Tennessee  
07/1992 – 02/2001

Attending Surgeon  
Metropolitan Nashville General Hospital  
Nashville, Tennessee  
07/1992 – 06/1993  
09/2005 – 10/2007

Attending Physician  
Veterans Administration Hospital  
Nashville, Tennessee  
07/1992 – 6/2007

**AWARDS:** Harwell Wilson Award for Surgical Excellence  
Vanderbilt University Medical Center, 1990

John L. Sawyers Teaching Award  
Vanderbilt University Medical Center, 1998-99

**MEMBERSHIPS:** Southeastern Surgical Congress, 1993  
The H. William Scott, Jr. Society, 1990  
Southern Medical Association, 1993  
Nashville Surgical Society, 1993  
American Medical Association  
American College of Surgeons, 1995

**Memberships (Continued):**

Association of Program Directors in Vascular Surgery, 1994-2010  
Southern Association for Vascular Surgery, 1996  
American Association of Vascular Surgery, 1996  
International Society for Endovascular Surgery, 1996  
Society for Clinical Vascular Surgery, 1997  
American Heart Association, 1997  
Fellowship, Stroke Council, American Heart Association, 1998  
Association for Academic Surgery, 2001  
Peripheral Vascular Surgery Society, 2001  
Fellow, American Heart Association, 2001  
Southern Surgical Association, 2001  
Society for Vascular Surgery, 2002  
International Society for Vascular Surgery, 2004  
Association of Chairs in Vascular Surgery, 2005

**COMMITTEES:**

Vanderbilt Medical Group - Communications and Marketing Committee, 1997  
  
Operating Room Committee, 1992-1994, 2002 - present  
  
Medical Center Medical Board, 1994-1995  
  
Radiology Task Force  
  
Multidisciplinary Vascular Disease Program Management Group  
  
TAG 04-01 High Risk Clinical Events Committee, 2005 – present  
  
Executive Committee, Vanderbilt Heart and Vascular Institute, 2006 - present  
  
Medical Director of the Transition to the Critical Care Tower, September 2008 –October 2009.

**PARTICIPATION WITH RESIDENT/MEDICAL STUDENTS**

2002 – present	3 <sup>rd</sup> year oral exams – held quarterly
2008 – present	Host 1 <sup>st</sup> year medical students in outpatient clinic as a part of the MS1 Patient, Profession and Society Course
2009-present	Participate with surgical residents in giving mock oral vascular exams

**MEMBERSHIP OFFICER:**

Membership Committee, Southern Association for Vascular Surgery  
2001-2006

Membership Committee, Society for Clinical Vascular Surgery 2001 -  
2004

Recorder, Southern Association for Vascular Surgery 2001-2006

Secretary, H. William Scott, Jr. Society 2002-2005

Senior Examiner

American Board of Surgery  
Vascular Surgery  
2001 - Present

President-Elect, Southern Association for Vascular Surgery,  
2007 – 2008

President, Southern Association for Vascular Surgery, 2008-2009

President, Nashville Surgical Society, 2011 – 2012

Committee on Video-based Education, American College of Surgeons,  
October 2012 – October 2015.

## **ABSTRACTS (Continued):**

11. Naslund TC, Edwards WH, Neuzil DF, Martin RS, Snyder SO, Mulherin JL, Failor M, McPherson K. Technical complications of endovascular abdominal aortic aneurysm repair. Presented at the Southern Association for Vascular Surgery Meeting, San Diego, CA, January 22-25, 1997.
12. Neuzil DF, Naslund TC, Berger DL, Peeler BX. Acute infrarenal aortic occlusion: multiple etiologies to an emergent situation. Presented at the Southern Association for Vascular Surgery Meeting, Rio Grande, Puerto Rico, January 21-24, 1998.
13. Gonze MD, McPherson KA, Sternbergh III WC, Garrard CL, Naslund TC, Money SR. Multi-center comparison of hospital charges between open and endovascular abdominal aortic aneurysm repair. Presented at the Southern Association for Vascular Surgery Meeting, Rio Grande, Puerto Rico, January 21-24, 1998.
14. Berger DL, Naslund TC, Neuzil DF, Guzman RJ, McPherson KA. Regional anesthesia fails to reduce hospital charges associated with elective carotid endarterectomy. Submitted to the ISCVS/SVS for the annual meeting in San Diego, CA, June 7-10, 1998.
15. Naslund TC, Neuzil DF, Guzman RJ, Netterville JL, McPherson KA. Skull base resection to facilitate operation on the distal internal carotid artery. Video presentation submitted to the ISCVS/SVS for the annual meeting in San Diego, CA, June 7-10, 1998.
16. Seidel SA, Bradshaw LA, Ladipo JK, Wikswow JP Jr, Naslund TC, Richards WO. Noninvasive detection of ischemic bowel. Submitted to the ISCVS/SVS for the annual meeting in San Diego, CA, June 7-10, 1998.
17. Naslund TC, Nylander WA, Richie RE, Guzman RJ, Kelly T. Ex-vivo renal artery aneurysm repair concomitant with living-related renal transplantation. Presented at the 47<sup>th</sup> Scientific Meeting of the International Society for Cardiovascular Surgery in Washington, DC, June 6-9, 1999.
18. Naslund TC, Guzman RJ, Neuzil DF. IVC filter placement using duplex. Presented at the 47<sup>th</sup> Scientific Meeting of the International Society for Cardiovascular Surgery in Washington, DC, June 6-9, 1999.
19. Naslund TC, Nylander WA, Richie RE, Guzman RJ, Kelly T. Renal artery aneurysm with living-related renal transplantation. Presented at the 85<sup>th</sup> Clinical Congress of the American College of Surgeons meeting in San Francisco, CA, October 10-15, 1999.
20. Eliason JL, Kammerlocher TC, Passman MA, Guzman RJ, Naslund TC. Transcatheter coil embolization and endovascular graft exclusion of a large aorto-venous fistula causing high output cardiac failure: A case report. Presented at the 24<sup>th</sup> Annual Meeting SAVS, in Tucson,

Arizona, January 19-22, 2000.

**ABSTRACTS (Continued):**

21. Eliason JL, Passman MA, Guzman RJ, Naslund TC. Treatment of abdominal aortic coarctation with percutaneous balloon angioplasty and stent implantation. Presented to the Society for Clinical Vascular Surgery for poster presentation at the 28<sup>th</sup> Annual Meeting in Rancho Mirage, California, March 15-19, 2000.
22. Eliason JL, Netteville JL, Guzman RJ, Passman MA, Naslund TC. Skull base resection with cervical-to-petrous carotid artery bypass to facilitate repair of distal internal carotid artery lesions. Presented at the 48<sup>th</sup> Scientific Meeting of the International Society for Cardiovascular Surgery and 54<sup>th</sup> Annual Meeting of the Society for Vascular Surgery. Toronto, Ontario, Canada, June 11-14, 2000.
23. Eliason J, Guzman R, Passman M, Naslund T. Durability of percutaneous balloon angioplasty and stent implantation for the treatment of abdominal aortic coarctation? Presented at the 11<sup>th</sup> Annual Meeting of the Peripheral Vascular Surgery Society, Snowmass, CO, January 11-14, 2001.
24. Almo KM, Baker EJ, Quigley TM, Naslund TC, Neuzil DF. Vascular disease in patients under forty. Presented at the 18<sup>th</sup> Annual Meeting Pacific Northwest Vascular Society.
25. Passman MA, Guzman RJ, Pierce R, Naslund TC. The impact of Medicare denials on noninvasive vascular diagnostic testing. Presented at the 29<sup>th</sup> Annual Meeting Society for Clinical Vascular Surgery, Boca Raton, FL April 4-8, 2001.
26. Conners M, Becker S, Guzman R, Passman M, Kelly T, Pierce R, Naslund TC. Duplex-directed placement of inferior vena cava filters: a five-year institutional experience. Presented at the SVS/AAVS Annual Meeting June 3-6, 2001.
27. Makaroun MS, Chaikof E, Naslund TC, Matsumara JS, for the EVT Investigators. Efficacy of the bifurcated Ancure endograft vs open repair of abdominal aortic aneurysms: a reappraisal. Presented at the SVS/AAVS Annual Meeting June 3-6, 2001.
28. Nagy RJ, Conners MS III, Guzman RJ, Passman MA, Becker S, Naslund TC. Duplex-directed placement of inferior vena cava filters: financial impact on university vascular practice. Presented Southeastern Surgical Congress 2002.
29. Ross CB, Naslund TC. Carotid stent-assisted angioplasty: the newest addition to the surgeons' armamentarium in the management of carotid occlusive disease. Presented Southeastern Surgical Congress, 2002.
30. Eliason JL, Guzman RJ, Passman MA, Naslund TC. Infected endovascular graft secondary to coil embolization of endoleak: the importance of operative sterility. Submitted Peripheral

Vascular Surgery Society 2002.

**ABSTRACTS (Continued):**

31. Naslund TC. The Guidant Ancure endovascular graft: implantation complications during a multi-center post-marketing prospective trial. Submitted AAVS 2002.
32. Naslund, TC, Becker SY. Technical Success from Endovascular Aneurysm Repair in the Post-Marketing Era: A Multi-Center Prospective Trial. Accepted PVSS 2002.
33. Boone BA, Dattilo JB, Passman MA, Guzman RJ, Naslund TC. Endovascular management of graft complications following neo-aortoiliac reconstruction with superficial femoral-popliteal veins. Submitted Society for Clinical Vascular Surgery 2003.
34. Boone BA, Dattilo JB, Passman MA, Guzman RJ, Naslund TC. Endovascular management of graft complications following neo-aortoiliac reconstruction with superficial femoral-popliteal veins. Presented Southern Association for Vascular Surgery 2003.
35. Garrett JV, Passman MA, Guzman RJ, Dattilo JB, Naslund TC. Expanding options for bedside placement of inferior vena cava filters with intravascular ultrasound when trans-abdominal ultrasound imaging inadequate. Submitted American Venous Forum 2003.
36. Garrett JV, Passman MA, Guzman RJ, Dattilo JB, Naslund TC. Expanding options for bedside placement of inferior vena cava filters with intravascular ultrasound when trans-abdominal ultrasound imaging inadequate. Submitted Southern Association for Vascular Surgery 2003.
37. Corriere MA, Passman MA, Guzman RJ, Dattilo JB, Naslund TC. Mega-aneurysmal degeneration of a saphenous vein graft following femoral popliteal bypass. Submitted Peripheral Vascular Surgery 2003.
38. Jordan WD Jr, Naslund TC, Simoni G, Whitley D, Wirthlin DJ. Endovascular abdominal aortic aneurysm repair in patients with challenging anatomy: the utility of the hybrid endo graft. Presented at the SAVS meeting, 2003.
39. Jayaram G, Dattilo JB, Guzman RJ, Passman MA, Naslund TC. Modern carotid endarterectomy and reappraisal of the high risk patient. Presented at the SAVS meeting, San Juan, Puerto Rico, 2004.
40. Lim C, Meranze S, Milam RA, Naslund TC, Feurer I, Bream P. Intra-arterial Gadolinium enhanced multi-slice CT scanning for evaluation of abdominal aortic aneurysms. Presented at the American Roentgen Ray Society, May 2-7, 2004 Miami Beach, FL.

**ABSTRACTS (Continued):**

41. Results of a Prospective Multicenter Clinical Trial of the Modified Gore EXCLUDER Endograft Versus the Original EXCLUDER and Open Aneurysm Repair. John A Curci, John A, Fillinger, Mark F, Naslund, Thomas C, Rubin Brian G, Excluder Bifurcated Endoprosthesis Investigators. Submitted SVS meeting 2004.
42. Corriere MA, Passman PA, Guzman RJ, Dattilo JB, Naslund TC. Retrieving “non-retrievable” inferior vena cava Greenfield filters: A therapeutic option for filter malpositioning. Presented at the PVSS Meeting 2004.
43. Passman MA, Dattilo JB, Guzman RJ, Naslund TC. Impact of a specialty vein clinic on an academic vascular practice. 17<sup>th</sup> Annual Meeting of American Venous Forum. Orlando, FL. Feb 2005.
44. Corriere MA, Feurer ID, Becker SY, Dattilo JD, Passman MA, Guzman RJ, Naslund TC. Endoleak following endovascular abdominal aortic aneurysm repair: Implications for duration of screening. (Poster Presentation at 22nd Annual Vanderbilt University Research Forum. May, 2004).
45. Jayaram G, Dattilo JB, Guzman RJ, Passman MA, Naslund TC. Modern carotid endarterectomy and reappraisal of the high risk patient. (Poster Presentation at 22nd Annual Vanderbilt University Research Forum. May, 2004).
46. Faulk JB, Passman MA, Boone BA, Dattilo JB, Guzman RJ, Naslund TC. Neo-aortoiliac reconstruction for aortic graft infection: Need for endovascular adjunctive therapies. Presented at the 15<sup>th</sup> Annual Winter Meeting Peripheral Vascular Surgery Society. Steamboat Springs, CO. February, 2005.
47. Corriere MA, Dattilo JB, Madigan MC, Guzman RJ, Naslund TC, Passman MA. Risk factors and angiographic technical considerations to guide carotid intervention. (30<sup>th</sup> Annual Meeting Southern Association for Vascular Surgery. Phoenix, AZ. January, 2006; Vanderbilt University Medical School 24<sup>th</sup> Annual Resident Research Forum. Nashville, TN. May 2006; Best of the Regionals, 60<sup>th</sup> Annual Meeting Society of Vascular Surgery. Philadelphia, PA. June, 2005; Tennessee Chapter, American College of Surgeons 2004 Annual Meeting. Fall Creek Falls, TN. July, 2006).
48. Passman MA, Dattilo JB, Guzman RJ, Naslund TC. Minimally Invasive Vein Approaches – Combined Endovenous Ablation and Transilluminated Powered Phlebectomy: Is Less Better? Submitted to the American Venous Forum, 2006.

## **ABSTRACTS (Continued):**

49. Smith JJ, Dattilo JB, Guzman RJ, Naslund TC, Netterville JL, Passman MA. Carotid Body Tumor Resection: Does the Need for Vascular Reconstruction Worsen Outcome? (Presented at 16<sup>th</sup> Annual Winter Meeting Peripheral Vascular Surgery Society. Park City, UT. February, 2006; Vanderbilt University Medical School 24<sup>th</sup> Annual Resident Research Forum. Nashville, TN. May 2006; Tennessee Chapter, American College of Surgeons 2004 Annual Meeting. Fall Creek Falls, TN. July, 2006).
50. Passman MA, Dattilo JB, Guzman RJ, Naslund TC. Minimally Invasive Vein Approaches – Combined Endovenous Ablation and Transilluminated Powered Phlebectomy: Is Less Better? (Presented at 18<sup>th</sup> Annual Meeting American Venous Forum. Miami, FL. February 2006).
51. Passman MA, Dattilo JB, Guzman RJ, Naslund TC. Impact of creating a specialty vein clinic on an academic vascular practice. (Presented 34<sup>th</sup> Annual Meeting Society for Clinical Vascular Surgery Meeting. Las Vegas, NV. March, 2006)
52. Passman MA, Dattilo JB, Guzman RJ, Naslund TC. (Poster) Hybrid Endovascular Procedures for Occlusive Disease: An Expanding Role for the Vascular Surgeon? (Poster Presentation at 34<sup>th</sup> Annual Meeting Society for Clinical Vascular Surgery Meeting. Las Vegas, NV. March, 2006).
53. Irwin CL, Dattilo JB, Guzman RJ, Ross CB, Naslund TC. Symptomatic Kommerell's Diverticulum. Submitted to the SAVS for presentation January 2009.
54. Ross, CB, Irwin CL, Mukherjee K, Schumacher PM, Ranval TJ, Dattilo JB, Guzman RJ, and Naslund TC. Vacuum-pack temporary abdominal wound management with delayed-closure for the management of ruptured abdominal aortic aneurysm and other abdominal vascular catastrophes: absence of graft infection in long term survivors. Presented at the Annual Scientific Meeting, Southeastern Surgical Congress, February 7-10, 2009, Atlanta, GA.
55. Sampson, UK, Walker R, Naslund T, et al. Molecular imaging of abdominal aortic aneurysm: positron emission tomography-computed tomography derived 18-fluorodeoxyglucose activity and the rate of aneurysm progression in patients with abdominal aortic aneurysm. Presented at the 2010 Arteriosclerosis, Thrombosis and Vascular Biology Annual Conference, April 8-10, 2010 in San Francisco, CA.
56. Kang B, Eskin SJ, Garrard CL, Naslund TC, Wu H, and Nesbitt JC. Effect of educational system on medical student acquisition of surgical skills. Presented at the American College of Surgeons Meeting, October 1-4, 2012, Chicago, IL.

### **Abstracts (Continued):**

57. Langerman A, Naslund TC, Nettekville JL. Skull base approach to carotid artery lesions- techniques, indications, and outcomes. Presented at the North American Skull Base Society Annual Meeting Feb 18, 2011, Scottsdale, AZ.
58. Cederstrand SL and Naslund TC. Arteriovenous fistula as a consequence of renal transplant nephrectomy: A novel case report and review of the literature. Poster presentation at the 2012 Veith Meeting, New York, NY.
59. Cederstrand SL, Garrard CL, and Naslund TC. Diagnosis and management of visceral venous aneurysms in healthy patients: Case reports and review of the literature. Poster presentation at the 2012 Veith Meeting, New York, NY.
60. Maxfield, K, Becker, S, Naslund, T.C. Supraclavicular decompression for thoracic outlet syndrome: Differentiation of characteristics that predict long-term surgical outcomes. Submitted to Southern Surgical Association, 2013.
61. Snyder, R.A., Wall, A.E., Cederstrand, S.L., Garrard, C. L, and Naslund, T.C. Primary leiomyosarcoma of the inferior vena cava. Submitted to the Southeastern Surgical Congress, 2013.
62. Richter, A.A., Becker, S., Naslund, T.C. Stent Graft Fixation with the Heli-FX™ Aortic Endoanchor Device: A Single Institution Experience. Accepted as poster presentation, Southern Association for Vascular Surgery 38<sup>th</sup> Annual Meeting, Palm Beach, Florida, January 15-18, 2014.
63. Richter, A.A., Sheng, C., Phillips, S., Maxfield, K. and Naslund, T.C. Effectiveness and Cost of Different Intravenous Drugs Used for Patients Presenting with Acute Stanford Type B Aortic Dissection. Accepted as poster presentation, Society for Vascular Surgery, Boston, MA., June 4-7, 2014.

## INVITED SPEAKER/PRESENTATIONS

- 1/17/13 Williamson Medical Center, Franklin, TN  
Medical Management of Blunt Aortic Injury: Is There Any Surgical Urgency?
- 11/13/12 Presidential Address, Nashville Surgical Society, Nashville, TN
- 1/ /10 Presidential Address, Southern Association for Vascular Surgery,
- 3/23/09 Orthopaedic Hand Conference, Vanderbilt University Medical Center,  
Nashville, TN  
Thoracic Outlet Syndrome
- 2/27/09 Medical Management of the Injured Worker VIII – Vanderbilt's Commitment to the  
Community Program, Murfreesboro, TN  
Thoracic Outlet Syndrome
- 4/17/08 4<sup>th</sup> Annual David A. Miller Surgical Lectureship, East Tennessee State University, Johnson City,  
TN  
Stent Graft Repair of Traumatic Aortic Transection
- 12/13-15/07 32<sup>nd</sup> Annual Northwestern Vascular Symposium, Chicago, IL  
Ultrasound Guided Cava Filter Placement
- 5/10/07 Stent Graft Repair of Traumatic Aortic Transsection, South Carolina Vascular  
Society, Myrtle Beach, South Carolina.
- 1/17/07 Postgraduate Course, 31<sup>st</sup> Annual Meeting, Southern Association for Vascular  
Surgery, Rio Grande, Puerto Rico  
Thoracic Aortic Stent Grafts
- 1/19/07 Case Report Panel Discussion, 31<sup>st</sup> Annual Meeting, Southern Association for  
Vascular Surgery, Rio Grande, Puerto Rico
- 1/12/07 Surgical Grand Rounds, Vanderbilt University Medical Center, Nashville, TN  
Thoracic Aortic Stent Grafting: Challenges and Solutions
- 3/7/06 Nephrology Clinical Conference, Vanderbilt Medical Center, Nashville, TN  
Renovascular Disease and Hypertension
- 3/6-11/02 San Sebastian, Spain, Endovascular Repair AAA

10/24/00 East Tennessee State University, Kingsport, TN  
Endovascular Repair of AAA

10/00 American College of Surgeons, Chicago, IL  
Ex-Vivo Renal Artery Aneurysm Repair Concomitant with Living-Related Renal  
Transplantation

**INVITED SPEAKER/PRESENTATIONS – Continued:**

7/22/00 Vascular 2000 Meeting, Perth, Australia  
Vertebral Artery Intervention: Open vs. Endovascular Approaches

7/22/00 Vascular 2000 Meeting, Perth, Australia  
Management of Renal Artery Stenosis Detected During Coronary and Routine  
Arteriography

3/15/00 Society for Clinical Vascular Surgery, Rancho Mirage, CA  
Discussant: Internal Iliac Artery Occlusion During Endovascular Repair of Abdominal  
Aortic Aneurysm

2/7/00 Physical Diagnosis Course, Vanderbilt Medical Center  
Physical Diagnosis Exam

1/22/00 Southern Association for Vascular Surgery, Tucson, AZ  
Discussant: Intentional Internal Iliac Artery Occlusion to Facilitate Endovascular  
Repair of Aortoiliac Aneurysm: Comparison Between Clinical Outcome and Pre-  
operative Angiogram

Discussant: Handling Complex Problems in Vascular Surgery – Intraoperative Use of  
Stents for the Management of Unacceptable Distal Internal Carotid Artery Endpoints  
During Endarterectomy: Short and Mid-term Results

12/9-11/99 Northwestern University Vascular Symposium on Modern Vascular Surgery  
Chicago, IL  
Duplex-Directed Vena Cava Filter Placement

9/22/99 Cardiology Grand Rounds, Vanderbilt Medical Center  
Endovascular repair AAA Endovascular repair AAA vs. open repair

9/15/98 Seminar in Vascular Surgery, Vanderbilt University Medical Center  
Management of Acute Lower Limb Ischemia

3/21/98 Vanderbilt Vascular Symposium, Nashville, TN  
Case Presentations – Endovascular Surgery and Management of

Abdominal Aortic Aneurysms

12/8-10/97 American Board of Surgery General Surgery Boards  
Nashville, TN

11/21/97 Surgical Research Blood Substitutes  
Vanderbilt University

**INVITED SPEAKER/PRESENTATIONS – Continued:**

10/13/97 3rd Year Residents Arterial Aneurysm  
Vanderbilt University

9/29/97 3rd Year Lecture, Vanderbilt University School of Medicine, Nashville, TN  
Arterial Aneurysm

5/12-14/97 American Board of Surgery, Chicago, IL  
Oral Examiner - General Vascular Surgery Boards

4/26/97 H. William Scott Society, Vanderbilt University, Nashville, TN  
Technical Complications of Endovascular Abdominal Aortic Aneurysm

4/7/97 3rd Year Lecture, Vanderbilt University, Nashville, TN  
Arterial Aneurysm

2/10/97 Physical Diagnosis Course, 2nd Year Students, Vanderbilt University,  
Nashville, TN  
Physical Diagnosis Exam

1/27/97 3rd Year Lecture, Vanderbilt University, Nashville, TN  
Arterial Aneurysm

4/13/96 Gulf Coast Vascular Society, New Orleans, Louisiana  
Case Presentations - Discussions

4/9/96 William Beaumont Hospital, Royal Oak, Michigan  
Endovascular Grafting for Abdominal Aortic Aneurysms

2/12/96 Physical Diagnosis Course, Vanderbilt University School of Medicine  
Physical Diagnosis Exam

9/30/95 Vascular and Non-Vascular Interventional Radiology Symposium  
Opryland Hotel, Nashville, TN  
Results: Thrombolysis vs. Surgery for Acute Ischemia (TOPAS Study)

and Surgical Options for Lower Limb Ischemia: The Gold Standard

9/29/95 Murray-Calloway County Hospital, Murray, Kentucky  
Endovascular Aortic Aneurysm Repair

6/17/95 Upper Cumberland Medical Society, Crossville, Tennessee  
Endovascular Aortic Aneurysm Repair

**INVITED SPEAKER/PRESENTATIONS – Continued:**

10/25/94 Jackson-Madison County General Hospital, Jackson, Tennessee  
Endovascular Aortic Aneurysm Repair

10/21/94 Clarksville Memorial Hospital, Clarksville, Tennessee  
Endovascular Aortic Aneurysm Repair

8/19/94 Tennessee Chapter American College of Surgeons, Fairfield Glade, TN  
Endovascular Aortic Aneurysm Repair

5/14/94 East Tennessee State University, Johnson City, Tennessee  
Endovascular Aortic Aneurysm Repair

4/7/94 Bedford County General Hospital, Shelbyville, Tennessee  
Endovascular Aortic Aneurysm Repair

3/24/94 Erlanger Medical Center, Chattanooga, Tennessee  
Endovascular Aortic Aneurysm Repair

1/28/94 Harton Regional Medical Center, Tullahoma, Tennessee  
Endovascular Aortic Aneurysm Repair

11/4/93 Annual Symposium on Surgery, Vanderbilt University, Nashville, Tennessee  
Dysvascular Amputation

9/3/93 Clarksville Memorial Hospital, Clarksville, Tennessee  
Review of Carotid Endarterectomy Trials

6/29/93 Jackson Purchase Cardiovascular Society Meeting, Paducah, Kentucky  
Spinal Cord Ischemia

6/17/93 Tenth Annual Family Medicine Primary Care Update, Vanderbilt University  
Nashville, Tennessee  
Non-invasive Vascular Assessment

6/10/93 Bedford County General Hospital, Shelbyville, Tennessee  
Update on Cerebral Vascular Disease: Evolving Role of Carotid Endarterectomy

5/18/93 Jackson-Madison County Hospital      Review of Carotid Endarterectomy Trials  
Jackson, Tennessee

11/5/92 Annual Symposium on Surgery Amputation for Prosthesis and Orthotics  
Vanderbilt University Hospital, Nashville, Tennessee  
Dysvascular Amputation

## **SURGICAL GRAND ROUNDS**

### **VANDERBILT UNIVERSITY MEDICAL CENTER:**

10/5/12 Surgical Grand Rounds, Vanderbilt University Medical Center, Nashville, TN  
Blunt Aortic Injury: Is There Any Surgical Urgency?

3/20/09 Surgical Grand Rounds, Vanderbilt University Medical Center, Nashville, TN Thoracic Outlet  
Syndrome

1/12/07 Surgical Grand Rounds, Vanderbilt University Medical Center, Nashville, TN  
Thoracic Aortic Stent Grafting: Challenges and Solutions

9/22/99 Cardiology Grand Rounds, Vanderbilt Medical Center  
Endovascular repair Abdominal Aortic Aneurysm vs. Open Repair  
Abdominal Aortic Aneurysm

1/17/98 Blood Substitutes

4/26/97 Technical Complications of Endovascular Abdominal Aortic Aneurysm  
(Scott Society)

1/20/96 The Aberrant Right Subclavian Artery

10/10/94 Renal Vascular Arterial Disease

09/18/93 Acute Arterial Thrombosis of the Lower Extremities

05/08/93 Thoracoabdominal Aneurysms

Research

August 2009 – RO1 Grant – Dr. William Richards, PI, Biomagnetic Signals of Intestinal Ischemia
